Threads through Creation is a beautiful, highly enjoyable exhibition – and especially interesting for anyone who stitches. It consists of twelve HUGE spectacular silk panels retelling the creation story from the bible.

It's the work of textile artist Jacqui Parkinson who has a national reputation for large scale exhibitions. The exhibition is touring twenty cathedrals. The panels took three years to complete, and contain eight million stitches!

Check the Cathedral website for more information and other events:

Suffolk Churches Ride and Stride - Saturday 10th September

* The Annual Sponsored Ride and Stride is a national event, and every second Saturday in September cyclists and walkers all round the country are out making money for their local county Churches Trust.

* The idea started in Suffolk, and consistently Suffolk has headed the table of funds raised. The Ride and Stride is the main source of income to Suffolk Historic Churches Trust to enable it to make grants to churches and chapels of all denominations towards repair and restoration costs.

* Ride and Stride is run entirely by volunteers and is inter-denominational, with participants sponsored for each place of worship visited between 9.00am and 5.00pm on Ride and Stride Day or with a donation, regardless of the number of churches visited.

* The money raised by each cyclist or walker is shared equally between the Suffolk Historic Churches Trust and the place of worship nominated by the participant.

* **To be continued next week! Want to know more now? Go to:**
